FAMILY FUN is enjoyed at Pomp's Pond swimming beach by Daniel B. Grams, 7 Walnut Ave., shown here with his four children on a hot July day. Laura, six, is already in the water, while ready to plunge are, left to right, Mark, four, Tim, seven, and Danny, ten. Beach lifeguard watches from end of raft.

Towns Join To Plan New YMCA Building

A campaign to raise funds to construct a new branch Y.M.C.A. building, which will serve both Andover and North Andover, will be launched in early 1972. This decision was confirmed at the initial meeting of the newly established Andover - North Andover Y.M.C.A. Building Fund, Inc., recently at a luncheon session held at the Rolling Green Motor Inn in Andover.

At the organizational meeting, Robert A. Watters, 4 Robandy Road, was elected President of the new Corporation. Mr. Watters is a past President of the Greater Lawrence Y.M.C.A. and is also currently Chairman of the Board of Selectmen of the Town of Andover. He played a major role in the establishment of the Andover branch of the Lawrence Y.M.C.A. a few years ago, and has been a leader in the continuing effort to provide greater recreational opportunities for the youth of this area. Mr. Watters is therefore a

natural choice to spearhead this project of vital importance to the communities of Andover and North Andover.

Other officers elected at the organizational meeting included: Walter V. Demers, Jr., 759 Great Pond Road, North Andover, vice-

(Continued on Page 13)

Hearings Monday

Hearings are scheduled at next Monday's meeting of the board of selectmen on the petitions of Phillips and Abbot Academies to establish new dormitories.

Phillips is planning to erect a new dormitory on its campus north of Highland Road which would house 40 students and two faculty members.

Abbot is planning renovations to an existing building to make it suitable for dormitory use for 15 students plus an apartment for house parents.

The petitions before the selectmen are for lodging house licenses.

Obtaining of a lodging house license for the establishment of school dormitories was highlighted in Andover when Eryant-McIntosh Junior College purchased the former Shawsheen Manor for dormitory use.

The Abbot hearing is scheduled for 7:30 p.m. while the Phillips Academy hearing is listed for 8 p.m.

Safebreak At Liggetts

Cash and drugs were stolen over the weekend in a safebreak at Liggett Drug Store, 229 North Main St.

Entrance to the store was gained by cutting through a steel roof. The safe in which some \$2,200 and a variety of drugs were kept was "peeled" by the thieves who left every indication they were professionals.

Before cutting through the roof, they shorted the burglar alarm. The hole through which they entered was approximately 12 by 18 inches.

Roger P. Romei, manager of the store, said the break was made sometime between 2 p.m. Sunday and Monday morning. He said the thieves showed selectivity in picking out the drugs, taking those containing opium and morphine.

Vacation Strike Ups Pays

Workers at Western Electric Company -- hundreds of them from Andover -- will return from their annual two weeks vacation with an average wage increase of 14.66 percent.

The pay hikes came as the result of a strike of Communication Workers of America (CWA) which was nation-wide.

Locally, employees of the Western Electric plant in North Andover and its satellites in the area, are members of Local 1375 which joined the strike which began July 14 and ended July 20. During all of this period, the great majority of the workers were on their annual two weeks vacation. Out of approximately 9,000 employees at the Merrimack Valley Works of Western Electric, only about 200 were forced off their jobs. This group made up a special

E. I. Erickson, Brother Will Be Honored At Newburyport Native Son Celebration

Edward I. Erickson, retired superintendent of schools, and his brother, John, also an educator, will be honored by their native community during the 14th annual Yankee Homecoming Week in Newburyport, July 31 - Aug. 8.

Both men and their families will be given particular honors on Thursday, Aug. 5, at an 11 a.m. Native Sons ceremony, in which they will be welcomed at Brown Square and their wives presented gifts courtesy of the Towle Silver Co., in memory of the late Harold Erickson, a brother.

The city wide reception to greet the Ericksons and their families is planned for 4 to 6 p.m. on that Thursday at the YMCA Civic Center.

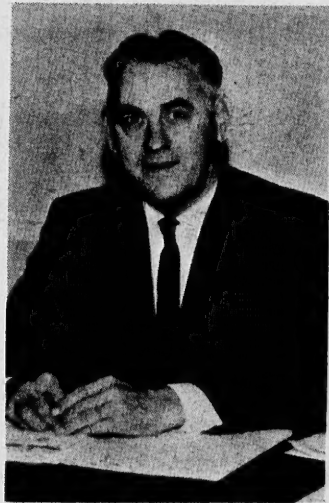

The Ericksons will also be honored in the annual parade which will close the week long ceremonies Sunday, Aug. 8, beginning at 3 p.m.

The former superintendent was born in Newburyport and a graduate of the high school there in 1924. From there he went on to Bates College where he was a quarterback on the varsity football team

and won letters in track and hockey.

A B.A. degree recipient from Bates in 1928, he received master degrees in education from the University of New Hampshire in 1937 and has continued study credits from Harvard University.

He began his teaching career in

Edward I. Erickson

Newport, N.H., and continued in other New Hampshire communities, being named superintendent in Derry, N.H. He was subsequently named superintendent in Longmeadow, Methuen and Andover.

During his tenure as superintendent in Andover, Mr. Erickson saw the school system grown from 1,300 pupils with an annual budget of about \$300,000 to a level of 5,800 pupils, 360 faculty members and a budget of over \$5,000,000 upon his retirement in 1969.

He holds membership in Kappa Delta Pi, national Education Honor Society, and was a member of the American Association of School Superintendents, New England Superintendents Association and National Superintendents Conference.

He is past president of the Andover Youth Center, Andover Service club, Merrimack Valley Superintendents Association and the Greater Lawrence Guidance Center.

Mr. Erickson is a trustee of Memorial Hall library, a incorporator of the Andover Savings Bank, a director of the Greater Lawrence Mental Health Center and retains membership in the Massachusetts Superintendent Associations, the Harvard Roundtable and the October Conference.

John N. Erickson, also a New-

Alumni
Gives PA
\$400,000

For the fifth straight year, Phillips Academy alumni made gifts in excess of \$400,000 to the school. The total for 1971 was \$404,300, according to Charles W. Smith, alumni secretary. This was a decrease of \$1,391 from the previous year.

Gifts from parents who were not alumni totalled \$83,329 in 1971. John H. Odden, special assistant for parent and alumni affairs, said this was a drop of \$5,022, reflecting changes in the national economy. However, gifts from parents of students other than the senior class were \$56,910, an increase of \$9,529 over 1970.

Is a Can of Tomatoes a Can of Tomatoes -

OR

Is there a better way of doing it?

I don't know how you buy your tomatoes, but did you ever realize how complicated it was? There are three variables involved: quantity, quality, and price. Decisions, decisions!

1. Quantity is a snap. Just take two cans of the same weight. OK so far.
2. Quality is a little tougher. You get mixed up with the integrity of the producer. Take a famous national brand and - what else - the CO-OP Red Label brand. The quality of the national brand is excellent - but so is CO-OP Red Label - zealously researched by the only "producing" consumer lab in the country. The plot thickens.
3. When quantity and quality are equal, price is the only difference. Where does that leave us?

A 16-ounce can of famous-brand tomatoes sells for 31 cents. The same CO-OP Red Label can sells for 25 cents. Do you really want to pay 24% more for advertising? (CO-OP Green Label, at 23 cents, saves even more!)

This comparison is valid if you believe in the INTEGRITY of the CO-OP Research Lab, operated to serve the best interests of the ladies pushing the wagons.

For Top Value - Shop CO-OP Labels!

Jeremiah D. McCarthy

McCarthy Appointed Chairman

Jeremiah D. McCarthy, director of airport services for Pan American World Airways at Logan International Airport, has been named Chairman of LAMCO (Logan Airlines Management Council).

The Council is made up of representatives from all the scheduled airlines operating at Logan. Their purpose is to cooperate with the Massachusetts Port Authority and other agencies in the advancement of the Airlines' interests and air transportation in general.

Jerry McCarthy is a 28-year man with Pan Am and arrived in Boston in August of 1969 after 4 1/2 years in Hong Kong as Airport Manager. Before that he served in Alaska and Hawaii.

He is married with one son and makes his home in Andover.

Advanced Swimmers Pass Test

A group of advanced life saving students have completed requirements for YMCA life saving ratings following conclusion of a course which has been under way since May 19. A Red Cross life saving rating was a pre-requisite for the YMCA life saving which was specifically conducted for those seeking advanced training. The original class enrollment of 24 was reduced drastically by the program. Teachers of the course included YMCA Aquatic Director Dick Cate, YMCA Aquatic Instructors Elaine Kent and Edward Ratyna and YMCA Leader Examiner Joyce Milligan. Certified as YMCA Senior Life Savers were Gary Gettel, Carol Christopher, Marilyn Fitzgerald, Carol Reynolds, Cheryl Foster, Joy Fogg and William Poirot. Certified as YMCA Junior Life Savers were Debby Dowe, Robin Stupack and Roger Gettel.

The course was conducted by the Andover YMCA at the Phillips Academy pool.

Eighth Concert Wednesday

The Methuen Memorial Music Hall presents John Kuzma, the eighth organist of the 1971 Summer Series, on Wednesday evening, July 28 at 8:30 p.m.

Mr. Kuzma is a native of Cincinnati, Ohio. In 1968 he was graduated with distinction from the Eastman School of Music in Rochester, N.Y. where he studied with David Craighead, Russell Saunders and Robert Noehren. During the academic year 1968-69, he studied as a Fulbright Scholar with Finn Videro in Copenhagen. While in Denmark, he gave recitals in Aalborg, Hvidovre and Copenhagen. Mr. Kuzma holds a Master of Music degree from the University of Illinois, where he is a candidate for the degree of Doctor of Musical Arts and a student of Jerald Hamilton.

His program includes: L'Ascension (I. Majeste du Christ demandant sa gloire a son Pere - II. Alleluia sereins d'une ame qui desire le ciel - III. Transports de joie d'une ame devant la gloire du Christ qui est la sienne - IV. Priere du Christ montant vers son Pere) - Olivier Messiaen; Sonata for Organ (Andante-Allegro, Larghetto, Vivace) - Vincent Persichetti; Symphonie V (Grave - Allegro molto marcato - Tempo di scherzo ma non troppo vivo - Larghetto - Final: Allegro moderato) - Louis Vierne.

Few instruments in the history of American organ building have had as long or as distinguished a career as this original Poston Music Hall Organ. It was the first concert organ in the country and despite many vicissitudes, it remains today one of the outstanding pipe organs in America.

Next week McNeil Robinson, organist at the Church of St. Mary, the Virgin in New York City performs here at Methuen.

HONEYMOONING in Bermuda recently were Mr. and Mrs. John Cornish of 243 North Harvard Street, Allston. Mrs. Cornish is the former Cecily Duncan, daughter of Mr. and Mrs. David Duncan, 22 Wolcott Avenue. While in Bermuda Mr. and Mrs. Cornish stayed at the Lantana Colony Club in Sandys parish and will return home on July 25.

Study-Weekend Will Feature Outdoor Life

Environmental law, wilderness photography and ecology forums will be featured at Focus: Outdoors, a three day study-weekend run by the Massachusetts Audubon Society Aug. 6 - 8 at the UMass Amherst campus.

Victor Yannacone, one of the first and best men to use the law to protect the environment, will discuss "Open Spaces, Natural Resources, and the Big City," detailing the methods and histories of his often controversial cases.

Karl Maslowski, Walter Berlet and Les Campbell, all skilled wild-life photographers, will present varied programs on subjects from wilderness preservation in the American midwest to Hawaiian frigate birds.

In addition to the four feature programs, Focus participants have their choice among 24 forums on natural history and environmental subjects, from wildflower folklore and the Alaskan south coast to solid

waste disposal, nuclear power and consumer action.

A Whole Earth exhibit hall, art and photography exhibits and field trips in the Connecticut Valley will round out the conference.

Information about the program may be obtained from the Audubon Society Headquarters in Lincoln, Mass.

CAR TALK

BLOWING YOUR COOL

Too many motorists have been severely scalded by innocently removing the radiator cap of an overheated engine. The safest advice I can give is - NEVER remove a radiator cap while the engine is hot! Modern cooling systems are designed to work under controlled pressure. It's very similar to the principle of a pressure cooker. Your cooling system operates at as much as 17 pounds per square inch and this pressure is precisely controlled by the pressure cap.

Removing the cap relieves the pressure which can result in a geyser of boiling water shooting up from the cap opening. Even after the engine has been allowed to cool, take no chances. Use a thick glove

or rags for protection and remove the cap slowly.

If more water is required, add it slowly while the engine is running at idle speed. Adding cold water to a stopped, hot engine can fracture the engine metal.

Don't let anybody kid you! Your car - not your dog - is your best friend. And you can depend on us to give it the care it deserves. All service and workmanship guaranteed. Full line of Mobil products. Complete auto repair, towing, and road service. TOM'S DEN ROCK SERVICE, Route 114 opposite Holiday Inn, No. Andover. Tel: 687-9157. 24-Hr. Ice Cube Vending.

Retarded Children Now Have A Camp

The cooperation of a congresswoman, the Navy and the Disabled American Veterans has resulted in 300 mentally retarded children being able to enjoy camp activities this summer on Thompson Island in Boston Harbor.

The Massachusetts Association for Retarded Children (MARC), said it appeared the camp would not be able to be opened for the children until Rep. Louise Day Hicks, D-Boston, Rear Adm. Joseph C. Wylie, commander of the 1st Naval District, and Chapter 17 of the Disabled American Veterans stepped in.

Thompson's Island can be reached only by boat, and the Navy at first said it had no launch available to ferry the children to the camp. This action brought a protest from mothers of some of the children and an appeal for help to Mrs. Hicks.

The congresswoman located a launch in drydock in the Boston

Navy Yard and won permission to use it to ferry the children from Adm. Wylie.

The launch had to be put in order first, and the Disabled American Veterans volunteered their time for the fixup chores.

The Navy then assigned a crew to man the ferry, and the camp opened.

Named To Dean's List At Colby

The office of the registrar at Colby College, Waterville, Maine, has announced the names of five Andover students who have attained Dean's list recognition for the second semester.

Susan C. Cooper, Nancy M. Howe, Lynne Sabbagh, Leslie D. Schiller and W. David Shuford, all seniors, received their E.S. degrees at commencement exercises, June 6.

A graduate of Abbot Academy, Miss Howe is the daughter of Mr. and Mrs. Douglas N. Howe of 9 Smithshire Estates. She majored in religion-philosophy.

A physics major who graduated magna cum laude, Miss Cooper is the daughter of Mr. and Mrs. Warren S. Cooper of 7 Turner Circle.

The daughter of Mr. and Mrs. Edward N. Sabbagh of 63 Lucerne Drive, Miss Sabbagh majored in psychology.

A cum laude graduate with a major in sociology, Miss Schiller is the daughter of Mr. and Mrs. Francis Schiller of 15 Rennie Drive.

Shuford, a biology major, is the son of Mr. and Mrs. Lindsay M. Shuford of 174 Chestnut St.

All prepared for college at Andover High school.

HONORED. Jack A. Perry, left, 8 Perry Drive is awarded a plaque by Anthony L. Anderson, president of the H. B. Fuller Co., for outstanding sales performance during 1970.

Wins Sales Award

An Andover man was cited for fulfilling the largest percentage of 1970 planned sales accomplishment in his division by the H. B. Fuller Company.

Jack A. Perry, 8 Pilgrim Drive, received a plaque in Louisville at the firm's national sales meeting. The firm is a producer of adhesives and related products for a variety of industrial and consumer uses. Perry recently was appointed technical service

manager for the firm's Polymer Division, which produces binders and other products for the paper and paint industries.

Perry has been with the firm three years. H. B. Fuller of St. Paul, Minn., has 22 plants and technical centers in the United States and also has operations in seven foreign countries.

State's Cash Balance Is \$50 Million

Massachusetts completed the fiscal year 1971 on June 30 with a cash balance of just under \$50 million the state treasurer noted in his latest monthly report.

The actual cash balance at the end of June was \$49,294,536.00. May's cash balance was \$13.3 million greater at \$62,544,911.00 the report shows.

Total receipts for June, the report shows, amounted to \$457.7 million but the month's disbursements were \$471 million.

The Commonwealth's bonded indebtedness has increased some \$147 million. At the start of fiscal 1972 on July 1 the state's total bonded indebtedness was \$1,175,348,000.00, as compared with \$1,028,373,000., at the start of fiscal 1971 on July 1, 1970.

The Republican River flows into the Smoky Hill River to form the Kansas River.

YMCA Campers Learn To Swim

The YMCA Day Camp located on Captains Pond in Salem, N.H. completed its first two weeks period in a very successful manner with over a hundred boys registered. The waterfront was a very busy section of the camp. The following boys in learning to swim received their Guppy Cards:

Barry St. Onge, Brian Guay, David Roberts, Michael Navarris, Andrew Burns, Luis Abarracin, James Connolly, Frank Curro, Kyle Dorsey, Jeff Costello, Tom Emmons, Joseph Migliscio, David Dantos, Kyle Campbell, Anthony Tomassi, Anthony Curro, Ronald Lerner, Robert Nazarian, Richard Boie, Steve Neff, Dwain Dorsey, Michael White and David Messina.

The following passed their Minnow tests: Dana Emmons, Scott Curley, Brendon O'Hagan, Liam O'Hagan, Kevin Curley, Brian O'Hagan, Michael Pacheco, David Coulombe, Louis Mancini, James Campbell, William Foster, George Tetreault, Chris Rockus, Chris Jackson and Fred Oakes. David April and John Cunha received their Fish cards.

The camp includes boys from Andover, Lawrence, Methuen, North Andover and Salem, N.H.

In intercamp competition the YMCA boys defeated Camp Shalom 16-4 with Scott Akroyd, Michael Navarria, Chris Allicon and Sean Allicon starring. The same team stretched its winning streak to two with a 7-6 victory over the Jewish Community Center Camp team.

The softball team with Gary Liss and Mark Gilbert leading the way, defeated the JCC 8-0. The rifle team with David Pepe, Andrew Burns, Steve April, Mark Gilbert and David Coulombe defeated the JCC Camp 105-50.

The Archery team won 83-71 over the JCC Camp with John Rockus and Bill Rodgers, as the best marksmen.

Boating, Arts and Crafts, Nature, Street Hockey and Campcraft were very popular among the campers.

The whole camp enjoyed a trip to Benson's Wild Animal Farm.

The boys are divided by ages into five Indian tribes of the Iroquois nation - Cayuga, Onondaga, Mohawk, Seneca and Tuscorora. In inter-tribe competition for this period, the Mohawks won a trip to the beach at North Hampton.

A special feature of this period was King Neptune's Day featuring a water carnival with the King in all his splendor arriving by boat to bestow the awards on the winners.

A three-day "Olympics" is planned for the next period.

The first Parents' Night is scheduled tonight. Families of boys registered during the past two week period are extended a cordial invitation to visit the YMCA Day Camp at that time as well as others interested in the camp.

BACKYARD POOL used by swimmers. Pictures are groups representative of the 72 swimming classes making up the Andover YMCA's Summer Swimming Instruction Program. The YMCA, for the fourth straight summer, is offering this service with the co-operation of 20 owners of private backyard pools who loan their facilities so that over 550 youngsters may be served by the YMCA.

Late Starting Swim Course Opens Tuesday

The Andover YMCA will offer a late starting course in swimming instruction for children beginning on Tuesday of next week. Instruction on all levels will be available. The course will consist of eight sessions on successive Tuesdays and Thursdays at the pool of James Reid, 6 Jenkins Road. Registrations are being accepted on a first come basis at the YMCA office, 10 Brook St.

The morning classes are scheduled to serve children in several age groups from 4 to 14 years of age.

Children returning from vacations or from camp may enroll for the balance of the eight week summer term filling a few vacancies which exist in some of the 72 courses presently being conducted by the Andover YMCA in

20 private backyard pools located in all sections of town.

Three Trips Scheduled For Y Group

With two weeks of programs remaining, the Andover YMCA Summer Trip Camp will feature the usual three trips per week. Enrollments for next week are being accepted this week at the YMCA office. It is possible to register for a single selected trip not earlier than the immediate preceding Friday. The camp is open to boys and girls 8 to 12 years of age and new enrollees will be accepted for either or both of the last two weeks of Trip Camp.

Trip Camp Director Walter J. Kimball, Sr. has scheduled repeats of two of the more popular prior trips in making up next week's schedule. On Monday the group will bus to Seabrook, N.H. and enjoy a deep sea fishing trip on a chartered boat. Beach activities will round out the day's program. On Friday the campers will make a return trip to New Hampshire State Park in Kingston, N.H. On Wednesday the group will visit a new spot, New Hampshire State Reservation on Silver Lake in Hollis, N.H.

Adams To Be Ass't. Principal

Charles Q. Adams, assistant principal at Andover High school, has been transferred to serve in that capacity at West Junior High school beginning in September.

Mr. Adams was listed as acting principal of the junior high school, in last week's edition. Richard Neal will be acting principal in the absence of William E. Hart who is on leave for the school year.

Hair is actually made up of dead tissue.

Road, has been reappointed as a
Notary Public, Secretary of State
John F. X. Davoren has announced.
Confirmation of the reappointee
was made here at a meeting of
the Executive Council following
submission of the renomination by
the governor.

The term of the Andover Notary
Public will expire in seven years.

Hannan Receives Scholarship

Laurence Hannan

Laurence Hannan, member of the 1971 class at Andover High School, has been awarded a four-year scholarship in the sociates National Scholarship program. Two/Ten A national philanthropic program, the footwear, leather industries, is an organization of more than 100 members who have banded together to help fellow shoemakers.

The scholarship program is one of a number of scholarships offered by the organization. The program is available to high school students who have valedictorian status in their schools, are members of the footwear, leather industries and also to parents who are employed in the footwear industry. The program is made available to high school students who desire to further their education and continue their schooling to the secondary level.

Laurence will enter the University of Vermont for this semester and is one of the school seniors receiving national grants totaling \$50,000 from the Two/Ten A program. He will receive an education of up to \$500 per year, plus a stipend of approximately \$50,000 for the overall scholarship.

Capt. Doyle In Germany

Captain Edward Doyle, son of Mr. and Mrs. William Doyle, of 7 Foster Circle, is with the 81st Tactical Squadron at Zweibrücken, Germany.

Captain Doyle, a warfare officer, Phantom unit, previous assignment, AP, Germany, now of the dual-purpose Fighter Wing.

The wing has two squadrons, one operating F-4s, one operating F-105s, and provides power and the second modified Phantom tactical reconnaissance component of the U.S. Air Force in Europe, the 4th Tactical Fighter Wing.

Captain Doyle, a graduate of the University of Central Catholic, Lawrence, received a degree in humanities from the College in 1964. He completed the requirements for a M.A. degree in marriage and the University of Arkansas.

The captain was upon completion of his Training School at Lackland Air Force Base, Texas.

His wife is the former Mrs. L. Byrne.

Hannan Receives Scholarship

Laurence Hannan

Laurence Hannan, of Andover, a member of the 1971 graduating class at Andover High school, has been awarded a four year college scholarship in the Two/Ten Associates National Scholarship Program. Two/Ten Associates, the national philanthropic foundation of the footwear, leather and allied industries, is an organization consisting of more than 7000 industry members who have banded together to help fellow shoemen.

The scholarship program is just one of a number of social services offered by the organization. These scholarships are awarded on a national basis both to deserving students who have worked in the footwear, leather or allied industries and also to children of a parent correctly employed in the industry. The program has been made available to help those who desire to further their education and continue their schooling beyond the secondary level.

Laurence will enter University of Vermont for this year's fall semester and is one of 21 high school seniors receiving educational grants totaling over \$12,000 from the Two/Ten Associates. He will receive an educational grant of up to \$500 per year. The association currently spends approximately \$50,000 per year on the overall scholarship program.

Capt. Doyle In Germany

Captain Edward T. Doyle, son of Mr. and Mrs. William P. Doyle of 7 Foster Circle, has moved with the 81st Tactical Fighter Squadron to Zweibrücken, Germany.

Captain Doyle, an electronics warfare officer, and the F-4 Phantom unit, previously at Hahn AFB, Germany, now become part of the dual-purpose 86th Tactical Fighter Wing.

The wing has two flying squadrons, one operating the fighter-bomber to provide tactical airpower and the second equipped with modified Phantoms to furnish tactical reconnaissance. It is a component of the U.S. Air Forces in Europe, the U.S. air arm assigned to NATO.

Captain Doyle, a 1956 graduate of Central Catholic High school, Lawrence, received his B.A. degree in humanities from Merrimack College in 1961. He completed the requirements for his M.A. degree in management from the University of Arkansas in 1971.

The captain was commissioned upon completion of Officers Training School at Lackland AFB, Texas.

His wife is the former Cynthia L. Byrne.

Gain Honors At Plymouth

Two Plymouth State College students from Andover have achieved honors for the spring 1971 semester. Recognized for their achievements were Priscilla Bastian and Barbara Young.

Miss Bastian has been named to the President's list for achieving a 3.7 or better as an academic grade point average.

Miss Young achieved a 3.25 average or more which qualified her for a place on the Dean's list.

Both girls were among the 367 students at the mid-New Hampshire campus to be listed on the two honor roles.

ANDOVER RESIDENTS perform at Prudential Center. Bob Clark, (second from left,) and Sam Rogers, (third from right,) will perform dixieland favorites and popular standards with fellow members of the Ice House Five Plus Two Dixieland Band at the fourth Prudential Center Summer Band Concert, Wednesday evening, July 28 at 7 p.m. Pictured with Bob and Sam are (left to right,) Bob Akin, (Bob,) Dave Niven, Mike Horn, (Sam,) Courtney Crandall, and Stan Vincent. The concert is one in the summer series at Prudential Center held each week at the Center's South Plaza. The concerts are open free to the public.

Dixieland Band Has Andover Members

Two Andover residents are members of a musical unit scheduled to entertain at the Prudential Center in Boston next Wednesday night.

Popular ragtime jazz will be featured at the fourth Prudential Center Summer Band Concert, Wednesday evening, July 28 at 7 p.m. with the appearance of the Ice House Five Plus Two Dixieland Band.

The seven-man band will perform popular standards, dixieland jazz, and also traditional jazz favorites at the outdoor concert at the Center's South Plaza.

The Ice House Five Plus Two was formed more than ten years ago in Ogunquit, Maine, by Mike Horn, New England Manager of Blair Radio, in a converted ice house from which it received its name.

The band is known for its appearances in the New England area which includes performing annually at Harvard University, area country clubs, and New Hampshire Winter Carnivals. Their talents have taken them on a tour to Bermuda, and they have also been featured on local television. Their performance at Prudential was purchased in the WGBH Channel 2 auction.

Members of the group are: Mike Horn of Lincoln, Bob Clark of Andover, Stan Vincent of Need-

ham, Courtney Crandall of Winchester, Dave Niven of Cotuit, Bob Akin of Essex, and Sam Rogers of Andover.

The eight-week concert series at Prudential Center has become a tradition in the Boston area, attracting standing-room-only crowds. This year's series is titled, "Summerscene," to describe new elements that have been added to the concerts. The New Gazebo Band, the Mandala Dancers, the Roxbury 4H Singers, and area chapters of the Society for the Preservation and Encouragement of Farber Shop Quartet Singing in America, Inc. will perform at the Center.

The concerts are held each Wednesday evening through Aug. 25, and are free to the public.

Taxpayer Refunds

Taxpayers in the New England District have received \$427,648,597 in refunds from the Internal Revenue Service since January, District Director William E. Williams reports.

Director Williams said \$416,104,622 has been refunded to 1,658,800 individual taxpayers. The remaining \$11,543,975 was refunded to 14,071 businesses.

During the processing of returns at the IRS Service Center in Andover, 110,930 taxpayers were discovered to have overcharged themselves \$1 or more and tax examiners corrected the mistakes for taxpayers.

Only one percent of the Boston District taxpayers took advantage of the option of having IRS compute their tax.

A single rye grass plant, grown experimentally, put out a total of 378 miles of roots in four months, the Massachusetts Audubon Society says.

Nearly three hundred children participate in the Children's Room summer programs each week. Projects of The Crafts Class are displayed on the new teepee in the center of the room, and the happy sounds of Notes On Notes ring from the Music Room each Friday morning.

This week, the music program will tell the story of the instruments of the orchestra.

The Wednesday Summer Film Festival held at the Doherty School has two films remaining: The Wonderful World of the Brothers Grimm on July 28 and Dr. Doolittle on Aug. 4. Tuesdays and Thursdays, members of the Come Together at your Summer Library Reading Clubs continue the race to fill an ear of corn with kernels, and the Roly-Poly Set fills the side lawn with laughter each Monday morning. Vibor, the Very Important Board of Review, is about to come up with some very important publications of its own, so watch for great news!

And . . . should the day come when there's rain at 9 a.m. and still more rain at 11 a.m., the Rainy Day Program will bring you know what . . . Or Do You?

Financial News

Ever wondered, "Is this a good time to buy Sears Roebuck stock?" Or is it best to sell now? How about Getty Oil? Or Polaroid?

In the Wall Street Transcript, a weekly newspaper, information on individual stocks are available from the Bache Technical Service. Executive speeches to financial and security analysts groups are printed verbatim describing various aspects of the particular company e. g., Gillette's advertising program in Africa where in one country the town crier gives the commercial. Reports, discussions among financial pros, charts, executive promotions, corporate name changes, coming mergers, and good indexing all contribute to make the Wall Street Transcript a valuable tool for laymen as well as experts in the financial world.

Come into the library and take a look. It is located on the rack of papers behind the reference desk. The Transcript is just the latest of the business reference materials added to the collection which includes The Wall Street Journal and Barrons, and reference books such as the various Moodys, Value Line, Dun and Bradstreet Directories, Standard and Poors, Commerce Clearing House Tax Guides, and many, many more.

Reappointed

Edward L. Powers, 75 Lovejoy Road, has been reappointed as a Notary Public, Secretary of State John F. X. Davoren has announced. Confirmation of the reappointee was made here at a meeting of the Executive Council following submission of the renomination by the governor.

The term of the Andover Notary Public will expire in seven years.

In 1846, California's flag of independence was made in part with a piece of red flannel from a woman's petticoat.

Flowers . . .

. . . can make an important contribution to the traditional funeral service. Not only do they denote respect for the deceased, but flowers can be sort of a personal messenger of sympathy and understanding to survivors. Their presence tells the immediate family that their friends are thinking of them and sharing their sorrow during their bereavement.

While many customs and fashions have undergone changes over the years, the use of flowers at funerals has endured. Evidence of floral tributes have been found in excavated tombs dating as far back as ancient Egypt.

Playground Activities

Last Thursday, over 700 children attended the Boston Children's Theatre's two performances at East Junior High School. Of this number 125 stayed for an all-playground picnic at Central Park between performances.

Softball Tournament

The interplayground kickball-softball tournament got underway last week at Recreation Park. The results of the week's play were:

- Kickball
Central 12
Indian Ridge 9
Recreation Park 12
West 3
Shawsheen 8
Ballardvale 3

- Softball
Central 12
Shawsheen 5
Ballardvale 11
West 5
Indian Ridge 3
Recreation Park 6

The tournament will continue for five more weeks.

During the third week of the Playground season, winners of contests on the various playgrounds were:

Recreation Park: Eublegum blowing contest; ages 6-8, 1st place, Denise Palmquist; ages 9-12, 1st place, Priscilla White. Pest decorated bicycle contest: 1st place, Priscilla White. Bicycle obstacle course, 1st place, Jamie Yameen.

Indian Ridge: Pike decorating contest: ages 5-7, 1st place, Janet Hall; ages 8-10, 1st place, Tammy Milne.

West: Doll carriage decorating contest: 1st place, Kristine James; most unusual, Tom DeLeire; most beautiful, Maggie DeLeire. Bicycle obstacle course; 1st place, Philip Bruno and Chris Doherty. Time: 1 min. 5 sec.

Next week, July 26 through July 30, will be Animal and Pet week on Andover's Playgrounds.

During the week there will be Pet trick exhibitions, nature walks, and animal impersonation contests. The highlight of the week will be an all-playground expedition to the Boston Aquarium on Thursday, July 29. The children will finance part of the cost of the trip through funds raised at Carnivals to be held on each playground Friday.

WATCH NEXT WEEK FOR:

"Speculation"

Babe Ruth Baseball League

By Rick Harrison

The Andover Babe Ruth baseball team's playoff hopes were dealt a severe blow last week, as the local club dropped two of three starts to even its seasonal record at 9-9.

The action started on a winning note, as Andover lefty Glenn Verrette fired his second straight five-hitter to stop South Lawrence West, 5-2. After this game, Andover had vaulted into a tie for third-place in the Greater-Lawrence Babe Ruth League.

But successive losses to South Lawrence East (3-1) and Tower Hill (7-5) pushed the locals back into fifth place.

Regular-season league play was slated to conclude this week, and Andover was due to finish up with three more games after TOWNSMAN presstime.

Andover faced North Lawrence (10-5) on Tuesday night at Hayden-Schofield Playstead, and then tangled with first-place North Andover and Prospect Hill in a pair of make-up games.

Entering this week's action, Andover trailed fourth-place South Lawrence East by just one game (two in the loss column). Also in Andover's favor was the fact that Lawrence East had two more games with both North Andover and second-place Methuen.

Thus, with a three-game sweep this week, Andover would still stand a fairly good chance at a post-season playoff berth.

Andover 5, So. Law. West 2 -- Andover scored all of its runs in the first three innings, and 13-year-old Glenn Verrette scattered five Lawrence West singles to lift his perfect pitching record to 3-0.

The locals grabbed a quick 1-0 lead on an unearned run in the bottom of the first inning. Lead-off batter Glenn Verrette reached first when SLW catcher Joe Aleska allowed a third strike pitch to get behind him.

Glenn raced to second base on a wild pitch, and was sacrificed to third on a perfect bunt by Bob Burrow. Keith Verrette then rescued his younger brother with a sharp single up-the-middle.

Verrette promptly stole second, but was cut down at the plate trying to score on Jeff Towne's line single to rightfield.

Andover boosted the spread to 3-0 in the second stanza. Singles by Steve Fabiani and Steve Galvin, a walk to Dave Mosher and a pair of SLW errors combined to do the damage.

The losers closed the gap to 3-2 in the third. Singles by Al Grasso, Buddy Lawler and George Haynes, along with a hit batsman and a bases-loaded walk to Bill LeBoeuf, accounted for the two runs.

The locals sewed up the decision with the two final runs in the last of the third. Keith Verrette started things by reaching first on another dropped third strike. Jeff Towne then lashed his second single, and both runners moved up on a double-steal.

Bob "Flash" Driscoll's fielder's choice bunt sent Verrette home, and Towne scored on a wild pitch.

Although Lawrence West had base-runners in every inning after this, Glenn Verrette came through with the big pitch when he needed it. Glenn helped himself tremendously by picking three men off first base.

Jeff Towne and Steve Galvin paced Andover with two hits apiece, and after that game Towne carried a blistering .417 seasonal average.

So. Law. East 3, Andover 1 -- One bad inning cropped up to haunt Andover as it has so many times this year. Basically, the game was a tremendous pitching duel between hard-luck loser Steve Fabiani and lefty Steve Comparone of Lawrence East.

Fabiani, whose record dipped to 4-2 as he hurled his sixth straight complete game, allowed just four hits and fanned three.

Comparone, whose soft serves were slow enough to throw Andover's timing off, permitted only two harmless singles.

Andover managed to take a 1-0 lead without benefit of a hit in the bottom of the fourth inning. Keith Verrette led off by reaching on SLE shortstop Kevin Bartlett's error.

Keith stole second, went to third on a wild pitch, and steamed home on a perfect safety-squeeze RBI bunt by Bob "Blaze" Driscoll.

Fabiani had retired nine batters in a row, and was working on a no-hitter for three-and-one-third innings, before Bartlett broke the spell with an infield single to deep short.

Lawrence East won the game with a three-run outburst in the fifth. RBI singles by Tom Sheehan and Mike Delaney did the bulk of the damage, while a brace of Andover errors also hurt.

Andover failed to mount any serious threats in the sixth or seventh, as "Bullet Bob" Driscoll was the lone base-runner on a walk.

A single by Bob MacMackin in the third stanza, and a pinch-hit single by Billy O'Reilly in the fifth, proved to be the only Andover safeties.

Dave Mosher played a fine defensive game at third for the losers, making several difficult stops in clutch situations.

Tower Hill 7, Andover 5 -- Andover blew leads of 4-0 and 5-3 in this game, as three local pitchers couldn't hold the pesky Tower Hill club at bay.

Andover sped to a 4-0 lead in the first frame. Tower Hill fielders helped by committing five errors, while back-to-back singles by Bill O'Reilly and Bob Burrow sparked the offensive attack.

The victors battled back with three runs in the second inning. Five walks by chuckers Dave Mosher and Keith Verrette set the table, and then a wild pitch, two errors and Dave Sanchez' single cleared the bases.

Andover countered with an unearned run in the last of the second, but Tower Hill slammed four singles in the top of the third to rescue two more runs and tie the score 5-5.

Tower Hill hurler Israel Tavares finally settled down in the third, limiting Andover to four

singles the rest of the way.

The visitors wrapped the game up with two runs in the fifth. Three more walks (Tower Hill received 12 in the game) and Kevin Gearin's opposite-field double sparked the rally.

Dave Mosher stroked a pair of hits to lead Andover, while Keith Verrette, Bob MacMackin, O'Reilly and Purrow had solo safeties.

Andover threatened once more in the sixth, advancing runners to second and third with two outs. But Tavares then induced O'Reilly to ground out.

All-Stars -- Jeff Towne continues to represent Andover on the Greater-Lawrence Babe Ruth League All-Star squad.

The team won the District 4A championship last Saturday, defeating Cambridge 2-1 in an eight-inning, come-from-behind triumph.

Jeff continues to play almost every inning in each "Star" game, and his defensive work in center-field has been excellent.

Stats -- Leading hitters for Andover after 18 games were Towne at .378, Bob Purrow at .314 and Dave Mosher at .286.

In the pitching department, Steve Fabiani is 4-2 with a sparkling 0.80 E.R.A. Glenn Verrette is 3-0 with a 1.89 E.R.A.

Hot Weather Delays Crops

The current spell of dry, hot weather has delayed several crops including native sweet corn and tomatoes, according to the Mass. Dept. of Agriculture. However, both of these should be appearing moderately in the next week or two. At present, there are several very good buys in other vegetables suited for this summer weather.

Lettuce is an excellent buy and now would be a great time to try some of the different varieties. Several varieties including Boston, Bibb, Salad Bowl, Iceberg, Red Oak Leaf, Romaine, Chicory and Escarole are grown here in Massachusetts which is a guarantee of freshness.

Lettuce is the basis for a great many creative and delicious salads and the good cook is bound only by her imagination. But, lettuce can also be the basis of a simple, yet nourishing, tasty and very easy to prepare meal. Just make a bed of the pale green leaves on the plate, slice some tomatoes, add a side dish of cold potato salad, and a heaping scoop of one of the popular meat salads available at most supermarket delicatessen counters. Tuna, ham, and chicken salads are also quick to prepare at home.

Other good values this week are cabbage, green beans, beets, peas and yellow summer squash, all native grown, and all tasty and nutritious additions to any meal.

The following basic recipe can be used to make ham, chicken, tuna, or shrimp cold salads. Just substitute the desired chopped meat.

3 cups chopped meat of your choice
1/2 teaspoon minced onion
1 cup mayonnaise or salad dressing
1 cup chopped celery
Mix all ingredients together, folding in mayonnaise or salad dressing to taste. Serve with an ice cream scoop for a nice round appearance. Serves six.

On Dean's List

Four Andover students have been named to the Dean's list at the University of Maine, Orono, Maine. Gaining honors were: Paul Gifford Childs, John Joseph Daly, Nancy Ann Dufton and Susan Irene Paulekas.

SAFE AT HOME - Billy O'Reilly of the Andover Babe Ruth baseball team slides safely into home plate during first-inning action of recent game against Tower Hill. Tower Hill catcher Chuck Berube (right) awaits throw as umpire Larry Klimas surveys the play.

State Agency Backs Used-Car Purchaser

The Consumer Protection division of the Attorney General's office has cited an instance which calls the public's attention to a law governing the sale of used cars.

Early this year a Fitchburg resident purchased a used-car. The car appeared to be ordinary, and the man paid the asking price.

Four months later when the car brakes were being adjusted, the mechanic noticed that the car had a "heavy duty rear end axle," a strengthening feature not normally used on regular passenger cars. Tougher axles are standard features on police cars and taxicabs.

When the customer returned, the mechanic pointed out the axle to him. They examined the car further and discovered two additional clues -- screw holes on the dashboard where a radio might have been installed and holes in the roof where a siren would have been attached.

Evidence indicated that the car had once been used as a police vehicle. But the man had not been given this information when he bought the car from the dealer.

The man was familiar with the Massachusetts law that requires used-car dealers to reveal to customers that a car offered for sale ever has been used as a police car, taxicab, or rental vehicle. Reluctant to pay the regular price for a car which had received rigorous prior use as a police vehicle, he asked the dealer if he might return the car.

The dealer claimed that he had not himself known that the car was a police vehicle, and he refused to accept the car back. The man turned to the Consumer Protection Division for help.

The investigator assigned to the complaint contacted the Registry of Motor Vehicles. From Registry records, he learned who had sup-

plied the car to the dealer. This seller claimed that he had told the dealer about the car's history as a police car, and he agreed to testify if called to court for questioning.

When informed that a court case was likely, the dealer made the decision to take back the car. The vehicle was returned, and the customer's money was refunded.

All used car shoppers should remember to ask about a used-car's past. If the car has had prior use as a police car, taxicab, or rental vehicle, the dealer must say so and he must list this information on the bill of sale.

Consumers with questions about this law or with complaints to report may contact the Consumer Protection Division of the Attorney General's Office at the State House in Boston.

WINE AND CHEESE

Cheese is wine's perfect partner. The French speak of the "marriage" of wine and cheese and establish these three rules: 1, Never serve cheese with sweet wine; 2, Always serve red wine with cheese and; 3, Any cheese will do, except cream cheese or goat milk cheese.

The French follow their meat and vegetables with wine and cheese, a good idea since the red wine served with the meat may be finished with the cheese. Red wines best suited to cheese include the French Bordeaux and Burgundies and American Clarets, as well as the Cabernet Sauvignon and Pinot Noir wines.

There are dozens of possible cheeses to serve with wine. Good choices are: Aged sharp cheddar, Fontina, Edam, Gouda Swiss, Monterey Jack, Roque-

fort, Brick. Sharp cheese spreads go good with wine. Whatever combinations of wine and cheese best suit your palate is the best "marriage."

You are invited to send in any questions on the subject of wine or spirits and I'll be happy to answer them personally or in print. Our way of saying "Thank you" is by always offering you the finest quality of wines and spirits and the very best values and service at DEN ROCK LIQUOR MART, No. Andover Mall (Route 114). Tel: 683-2216.

Editorial Comment

Bus Contracts

Interestingly enough, school committee members at a recent meeting expressed concern over the cost of school bus contracts.

Traditionally, the school bus contracts have been renewed to the original contractors at the termination of their three-year contract.

Each renewal finds an increase in the cost.

The nine renewals granted last week all came in at the same price, \$8,150, plus 45 cents for extra mileage.

One committeeman commented, it almost appears to be a closed union.

Indeed it does.

Andover's school bus policy indicates that all public school transportation must be on an owner-operator basis.

We do not have any doubts about the efficiency of the Andover men who now operate Andover's many bus routes. They are cognizant of safety standards and their buses generally are well-kept, their supervisory capacities excellent.

But the continued increase in costs on an almost guaranteed basis indicates the operators have the town in a bind from which the municipality can not escape.

This is not completely the case, however, and school committee members have asked for future consideration of school bus policies.

For a time last week, the members felt that rejection of the bids and a call for new proposals would indicate the board's displeasure with the new contract prices.

But time was of the essence, so the contracts were awarded.

The board has asked, however, for information relative to a fleet type operation of the school bus contracts.

Methuen schools operate on a fleet type operation, with

a single contractor providing transportation for all schools and school-connected activities.

The Methuen contract stipulates that the buses must be housed in the town.

Strangely enough, Andover could possibly be in the same type position, with a major transportation firm located here.

There are, of course, some discriminatory aspects of such a stipulation in such a contract, but it still remains worthy of consideration.

Basic to such thinking is the fact that the town receives excise tax remuneration from the housing of buses locally, something they presently receive under the current owner-operator provisions of the contracts.

It has been noted that the individual contractors are responsible for the care and maintenance of their vehicles.

This, one must assume, would also be handled under a fleet contract.

State laws govern bus driver salaries under fleet contracts, officials have noted.

This may be of some consideration, but would be up to a general contractor to consider in his bidding.

If the memory of the 1971 town meeting is fresh in the minds of school people, it might be remembered that the school transportation budget was one of the items debated, and subsequently cut.

The base rate for school transportation, through the 29 school bus contracts awarded totals \$222,928, almost \$2 of the town's tax rate.

The particular item is worthy of consideration and study by the school authorities to determine if a more economical approach to the burgeoning transportation problem can be found.

Site Problems

The Andover Housing Authority has been seeking a ten-acre site in Carmel Woods for an additional site for an elderly housing project.

Needless to say it has met with considerable opposition, not only from the Conservation Commission, which holds jurisdiction over the property, but from the selectmen, and many residents of the town.

Why this particular site seems to be the one and only one, appears to be an unanswered question.

Housing Authority officials have stated the site has state approval, is close to town and is adequate for a senior citizen housing complex.

It is argued that land acquisition would be eliminated, thus saving some of the cost.

But there is the matter of utilities which would be needed if such a project were undertaken.

This would be a costly item, to say the least.

There are the comments that actually the town does not get involved financially in such projects undertaken by the Housing Authority. But it is a matter of semantics, since state funds are provided, which means simply taking money from the right pocket rather than the left.

No one is opposed to the idea of increased facilities for our senior citizens. There is a displayed need for such, with an established waiting list for the already existing housing units.

But, it would seem, there are other sites available.

Nearby the Carmel Woods property, is the former town dump site off High street, which could possibly be considered. Certainly if the woods property meets the standards of state authorities, this property, also town-owned, must also meet specifications, or at least approach them.

No doubt, the Carmel Woods setting would be nice for such a housing facility.

But, it seems more advisable to leave the property in its natural setting, as is, rather than encroach on some of the last vestiges of open, natural land available in the town.

An alternate site is most assuredly available, and it seems best if the housing authority concentrates its efforts in that direction.

More than 39 percent of all traffic fatalities in 1970 were due to excessive speed. Speeding accounted for 17,700 persons killed and 988,000 injured.

Off The Top

Of The Desk

In 1900, according to the Fish and Game annual report for that year, the pheasant pen at Winchester was electrically wired for cats, "but this did not suffice to keep out thieving bipeds, who in July cut the wire fence and stole some of our best breeding stock. Had such a thing been anticipated, it would have been an easy matter to so wire the fence that the marauders would have paid a higher price."

Times have changed, and today -- 71 years later -- an older, more mellow society has reduced the voltage in its judicial wiring. Last week at Barnstable District Court, a man pleaded guilty to breaking and entering, larceny and unlawful possession of pheasants. He was given concurrent two-year suspended sentences for each of the first two counts and fined \$50 for the third.

Two months ago when theft of quail and pheasant brood stock became a major threat to game farm productivity, the Division of Law Enforcement stationed Natural Resource Officers at rearing pens on a round-the-clock watch.

On the night of May 20 officers Joseph LaFarr of Marston Mills; John Roberts, New Bedford; and Dana Thomas, Middleboro apprehended the man in the act of stealing pheasants from Sandwich Game Farm. The case was then turned over to investigating officers Charles Sylvia, East Bridgewater and Gibson Midgeley, Plympton.

P.O. 1 McDougall Coast Guard recruiter in Lawrence recently announced the following information.

During fiscal year 1971 the Coast Guard saved an estimated 3,764 lives, assisted 12,500 persons and gave aid to vessels and aircraft valued at more than four times the entire operational budget of the entire Coast Guard.

Petty Officer McDougall adds

that if you're a young man thinking about a career or experience come to the Elakely Building at 477 Essex St., for further information on how you can actively help your fellow man and your country in the United States Coast Guard.

From the Merrimack Valley Works Newsletter of the Western Electric Co.:

A partial solution to the problem of what to do with old telephone directories was offered recently by a Los Angeles TV commentator . . . he recalled that a one-time leader of a volatile South American country used old phone books to line and bulletproof the railroad cars he traveled in.

An operator with South Central Bell in Knoxville, Tenn., picked up a signal and said, "Operator" . . . when she received no reply, she identified herself again with, "This is the operator . . . may I help you?" . . . the unbelieving voice of a child responded, "Who are you operating on?"

A familiar landmark is gone from the road between Andover and North Andover.

Within a week, the large white residence at Wilson's corner in North Andover has been razed. It was well known to those who travelled over Elm Street to Andover Street in the neighboring town.

For many years it was the home of the Mahoney family and later was occupied by Mr. and Mrs. William Rockwell and family.

Atty. Cornelius J. Mahoney was a prominent Lawrence lawyer who also served as a trial justice in North Andover and for many years was that town's moderator.

The house was ground to earth by a bulldozer and the wreckage was hauled away by truck. A new office building will be erected on the site.

Down the Years
with
The Townsman

75 Years Ago - July, 1896

Richardson horses keep up their winning gait. Evolution finished first and Twak was in third place at races at the Lawrence Riding Park this week.

The time limit has expired for the licensing of dogs and Town Clerk Marland has turned over to Chief Mears the names of 140 canines to be destroyed if not properly licensed.

At a meeting of the South church, improvements to the basement area have been approved and work is expected to commence shortly.

The Memorial Hall grounds are showing very plainly the work of Gardner Bodwell, who has been carrying out the plans of the Village Improvement Society for their adornment.

Several Andover residents journey to Glen Forest park, Lawrence, to witness the China-Japan war pyrotechnic displays.

50 Years Ago - July, 1921

Carefully concealed moonshine plant discovered on a farm in West Andover. Operators plead guilty and pay \$150 in fines.

Andover K. of C. leads local baseball league, while Smith and Dove is fighting for a top spot in the Greater Lawrence Industrial league as season reaches halfway mark.

Twelve automobilists took the state examination for drivers licenses Monday with officials from Boston putting the drivers through the rugged local course.

Local fans in auto trucks and automobiles travel to Lynn to watch football game between General Electric and the Third Lanark of Scotland. Joseph Elack and David Page of Andover were picked to play for the Lynn club.

Several church organizations hold annual outings at Hampton and Salisbury beaches.

25 Years Ago - July, 1946

Lawn watering halted in deference to the drought. Haggetts pond at a dangerous level. Market gardeners allowed continued use of sprinkling systems.

Lt. Gov. Robert Bradford, candidate for the GOP governor nomination stops at town house and is greeted by Roger W. Collins, Irving J. Whitcomb, Frank Markey and Philip K. Allen.

Police Chief Dane reports several cases of vandalism this week, broken windows being the most prevalent among the reports.

Two rescue boats, one at Central station, another at Ballardvale, given to the fire department by the Lundgren family in memory of Everett Lundgren.

Ballardvale Cubs trounce Shaw-sheen, 10-0 as Lawrie pitches a no-hitter for five innings in Twilight league play.

10 Years Ago - July, 1961

As many as 11 contractors are expected to submit bids on the construction of the new Sanborn school on Lovejoy road.

Inclement weather of the past week has stalled activity on the town's playgrounds. Steady diet of rain hampers plans.

Packet Research corporation announces plans to locate its operations on Lupine Road.

Town manager now has two applications for appointment of a full time recreation director. There are six applicants for the engineering position created by town meeting.

Fred E. Cheever gives six acres of land on the easterly side of Haggetts pond to the Andover Village Improvement Society.

Swiss Musician In Concert

One of Europe's leading trumpet players will give a concert at the Hammond Castle in Gloucester on Friday, Aug. 6. Edward Tarr of Basel, Switzerland, professor, major recording artist, director of the Edward Tarr Brass Ensemble, is one of the few artists who has perfected the playing of the valveless baroque trumpet. His natural trumpet recordings are already legendary in the musical world. A knowledgeable musicologist, he has published a number of unknown works, and has an extensive collection of baroque instruments, some of which he uses in his concert tours. Accompanist will be George

Kent, organist and choirmaster of Christ Church, Westerly, professor of music at Rhode Island College and conductor of the 160 voice Community Chorus of Westerly. His knowledge of the baroque literature and his familiarity with the classic organ and its repertoire prove valuable in this collaboration of trumpet and organ.

Tarr is especially well known for his many recordings which have received a number of awards, including the Grammy Award, (USA) Grand Prix de Disque (France) and the Deutsche Schallplattenpreis (Germany) and Edison Prize (Holland). Over fifty of his recordings are available.

Ants were probably the first insects used by man as biological controls. Centuries ago Chinese

citrus growers placed colonies of the green tree ant (Oecophylla smaragdina) in their groves where bamboo poles between the trees helped the ants to move about.

Little League Tourney Underway

By Rick Harrison

The District 14 Little League and Senior Little League All-Star Tournaments began recently.

Three Andover teams were entered in the competition, but by TOWNSMAN presstime only one local club was still alive in the single-elimination tourney.

The Andover American Little League All-Stars belted Lowell Oliveria, 9-2, in their opening test.

They were slated to meet South Lawrence East at Lawrence Stadium last Tuesday night, after rain postponed the game on Monday. If they beat Lawrence East, they were slated to move into the District semi-finals against the winner of Lowell Shedd-Methuen last night.

The Andover National Little League 'Stars' didn't fare as well. They were bounced out quickly after an 8-1 loss to powerful Chelmsford Lupien last Friday night.

The Andover Senior Little League All-Stars were also eliminated from further tournament play in their second start. After whipping Lawrence 3-1, Manager Wally Stanton's crew dropped a 3-1 decision to eventual District champion Chelmsford Fitts.

American 9, Oliveria 2 -- Andover American, winning its first opening round game in five years, staked winning pitcher Labeeb Abboud to a 6-0 lead after two innings.

Labeeb easily preserved the advantage, firing a three-hitter in the 9-2 triumph. He walked five and whiffed seven in the game.

Andover American raced to a 3-0 lead in the first on a pair of homeruns. After Jerry Stabile

singled, Mark LaLonde hammered a long two-run blast over the left-field fence.

Abboud then won his own game, clouting a sole homer for what proved to be the winning run.

Andover American made it 6-0 in the second. John O'Brien led with a single, went to second on a wild pitch and to third on Tim Brownlie's base hit. O'Brien raced home on another wild pitch.

Jerry Stabile came through with another single to rescue Brownlie and Jerry later scored on a wild pitch to up the ante to 6-0.

Labeeb Abboud doubled and scooted home on a pair of wild pitches, as the victors made it 7-0 in the third stanza.

After Lowell Oliveria tallied its only two runs in the bottom of the third, Andover American closed out the scoring in the fifth on pinch-hitter Scott Collins' bases-empty homer and George Starks' infield RBI grounder.

Abboud finished the game with a 3-for-4 night at the plate, while Stabile was 2-for-3. Abboud's homerun was his eighth of the year, while Mark LaLonde's clout was his fourth and Collins clubbed his second HR.

Mitch Rousseau of Andover American was the defensive star of the game in rightfield. He made a fine leaping catch of a line-drive in the gap, and then whirled around to double up a Lowell runner trying to tag at second base and advance to third.

Angelo Silva and Ricky Karney lashed doubles for the losers, while Dan Cashman had a pinch-hit single. Dave Texerria was tagged with the pitching defeat.

In Tuesday night's quarter-final game, Mark LaLonde was slated to pitch for Andover American. George Starks was listed to catch.

Dave Dauber was at first base, Tim Brownlie at second, John O'Brien at third, Mark Ketzler at shortstop, either Geoff Eragdon or Mitch Rousseau in leftfield, Thom Lawler in center and Jerry Stabile in right.

Chelmsford 8, National 1 -- Last year Andover National trimmed Chelmsford Lupien 4-3 in a quarter-final tourney contest. This year it was a completely different story.

Chelmsford Lupien exploded for seven runs in the first two innings, slamming three homeruns to put the game well out of reach from the start.

John Glazier did the most damage for Lupien, rocketing a pair of long two-run homers in the first and second stanzas.

Winning pitcher Marty Krikorian chipped in with a solo shot in the second, and several Andover National errors accounted for the other runs.

Krikorian also did a pretty good job of baffling the National hitters. He limited Andover to just three singles, walking five and striking out 10. He fanned two men in each of the first four innings, and

finished up by whiffing one batter in both the fifth and sixth.

Joe Pasquale drilled two of the Andover singles, one in the fourth frame and another in the sixth. Starting pitcher Brian Twomey had the other bingle in the first.

The biggest bright spot for Andover National was lefthanded relief hurler Glenn Lefebvre.

Glenn entered the game with two out and the score 7-0 in the second inning. He proceeded to pitch no-hit ball for the next three-and-one-third stanzas, allowing one unearned run after two errors in the fourth.

Mixing a good curve ball with a deceptive fast ball, Glenn fanned five batters and didn't walk anyone.

Andover National's lone run came in the sixth-and-final frame, when Glenn Lefebvre drew a bases-loaded, two-out walk. But the threat went by the boards when the following hitter struck out to end the game.

Andover Seniors -- Tom Barenboim drilled four straight hits and scored all three runs in the 3-1 conquest of Lawrence. Ray Pizarro had a pair of RBI singles, and Joe Conlon was a two-way standout.

Jeff Alexander pitched well in the 3-1 loss to Chelmsford Fitts.

Silent Movies To Be Featured At Castle

On Saturday evening, July 31 at 8:15 p.m., the Hammond Castle will present an evening of silent movies, specializing in comedies. Included in the program to be given by Mr. Henderson Stern of Marblehead, will be scenes of old-times, news reels, comedies, musical shorts, a W. C. Fields comedy, and one of the popular comedies of Laurel and Hardy. These films today stand among the funniest ever made, and their perfection in gag timing remains unequalled.

"The Great Train Robbery," generally considered the first motion picture to actually tell a story, is the most successful of the early story films. G. M. Anderson, later to become known as "Proncho Eilly" appears in the film which features George Barnes, who created a sensation of the day by firing his gun directly into the faces of the audience.

In addition to the silent movies, music of the silent movie era will be provided by Al Winslow of Foxboro, former theatre organist, who will be playing the great pipe organ of the Hammond Castle.

For information regarding reservations write or telephone the Hammond Castle in Gloucester.

The badger is seldom attacked successfully by other animals because of its sharp two-inch claws, and its loose skin that enables it to twist around and bite back with jaws that lock into place. It escapes to its burrow, it packs the earth solidly behind it, fast. It lives where the soil is soft in western North America and checks rodent populations the Massachusetts Audubon Society tells us.

MVPC Has Census Data

The Merrimack Valley Planning Commission has acquired 1970 Census data for use by its own planning staff, and by its member cities and towns.
A pooling agreement with the Massachusetts Department of Community Affairs and six regional planning agencies has been developed to obtain census data from computer tapes.
A print out of the first tape -- general population and housing characteristics -- is now available in the Commission office.
By using computer tapes, the Commission will obtain the data long before the published reports are made available. In addition, the tapes will contain greater subject and geographical detail than will be available in the printed reports.
Officials should advise the Commission office of any special census data requests, since the MVPC will consider the needs of its cities and towns in making their own processing requests.
The first three tapes will contain data asked of the entire population; the last three will contain sample data, asked of 5 to 15 percent of the population. Most of the socio-economic data contained in the Census is taken

on a sample basis.
It is hoped that in the future data from the 1960 Census and the 1975 state census will be fed into the system for comparison purposes. In addition, yearly statistics from various state agencies could eventually become part of the system.

Children Enroll For Free Church Classes

The Free Christian church pre-school has announced the following enrolled for the 1971-1972 term:

Michael Alden, Kate Appleton, Michael Boush, John Cunningham, Moira Dundas, Wendy Finlayson, Jonathan Gardner, Suzanne Goldberg, Stewart Hannah, Dianne Jurgen, Annette LeFebvre, Eric Neyman, Maureen O'Brien, Timothy Scanlon, Diane Weil, Elizabeth White, Sally Ann White

and Andrew VanDerZee.

Membership chairmen Mrs. Glenn Cunningham and Mrs. Edward Weil, advise parents interested in learning more about the Free Church PreSchool for the coming year to contact them now. Even though enrollment is currently full, openings often occur during the summer due to unexpected job transfers and address changes.

Civil Service Clerk's Exam Scheduled

A Civil Service examination for claims clerk, Division of Employment Security, will be held Aug. 13. Applications must be received by the Division of Civil Service, State House, Boston, not later than Monday, July 26.

The position is on an intermittent basis, not full-time or regular. Hours of work are limited to 25 in a week; approximately 900 hours in a year. The minimum salary is \$3.22 per hour; the maximum, \$3.93. The positions are located in the Claims offices of the Division throughout Massachusetts.

Applicants must have at least three years of full-time, paid experience in office clerical work, sales, or other work involving similar contact with the public. A high school diploma may be substituted for two years of the required experience.

The Claims Clerk will work as needed to help process claims for unemployment benefits. The duties will involve both interviewing of claimants and related clerical work. Some knowledge of the principles and techniques of interviewing, occupational problems, and arithmetical computations will be required.

Applications may be obtained from the Division of Civil Service, Room 148, State House, Boston, or from the nearest office of the Division of Employment Security.

OBITUARIES

DR. ISADORE SISKIND

Dr. Isadore Siskind, 84, 237 North Main St., a practicing dentist in Lawrence for 62 years and a founder, treasurer and chairman of the board of directors of Temple Emanuel, Lawrence, died Wednesday, July 15 at the Massachusetts Rehabilitation Hospital, Boston, after a long illness.

Born in Boston, he was educated in the Boston public schools. He was graduated from Tufts Dental College with the class of 1908.

Dr. Siskind was a life member of the Massachusetts Dental Association. His late wife was the former Rebecca Barkin.

Surviving are a son, Paul M. Siskind of Newtonville, dean of Poston University Law School; a daughter, Mrs. Jean Ellowitz of Springfield, N.J.; also four grandchildren.

The funeral was held Friday, July 16, at 11 a.m. in Temple Emanuel. Burial was in Sons of Benjamin Cemetery, West Roxbury.

Memorial week was held at the late home Saturday night and at the home of Mr. and Mrs. Paul Siskind, 67 Oak Cliff Road, Newtonville, Sunday.

BENJAMIN THORNTON

Benjamin Thornton, 78, former painter at Phillips Academy, died Sunday, July 11, at his home in Concord, Calif.

Mr. Thornton had lived in Concord since he left Andover 13 years ago. He had worked at the academy for 35 years. Mr. Thornton was born in England. He was a long time member of the Lawrence British Club.

He leaves his wife, Mabel Thornton; two daughters, Mrs. Eva Vincent and Mrs. Marion Nicolosi, both of Concord, Calif.; four sisters, Mrs. Ada Gill, and Mrs. Elizabeth McKeon both of Massachusetts; Mrs. Eva Doucette of Long Beach, Calif. and Mrs. Ann Swenson of Florida; also three grandchildren.

Funeral services were held Thursday, July 15, from the Pryant - Lough - Quimet Concord Boulevard Chapel, Concord, Calif.

CHESTER M. EDMOND

Funeral services were held Tuesday at 2 p.m. for Chester M. Edmond, 87, 38 Enmore St., who died suddenly Friday night. He was a sales representative of Baird and Bartlett Co., Boston paper merchants, for over 50 years.

Burial was in Bellevue cemetery.

He was stricken at his summer residence at Plaice Cove, Hampton, N.H. and was taken to the Exeter, N.H. hospital where he was dead on arrival.

Mr. Edmonds graduated from Lawrence High School in 1902 and soon after joined Baird and Bartlett Co. for whom he traveled throughout New England.

He was a life member of Phoenician Lodge of Masons and was a member of Bethany Commandery, Knights Templar, and Mt. Sinai, Royal Arch Chapter of Masons.

Surviving is a daughter, Marjorie, wife of Herbert Johnson of Andover.

RAYMOND C. SWANBERG

Memorial services will be held this afternoon at 3 p.m. in First United Methodist church, North Andover, for Raymond C. Swanberg, 237 North Main St. and Deerfield Beach, Fla., who died

Monday at his home here following a long illness.

He was a stockbroker for the H. C. Wainwright Co. of Boston.

Mr. Swanberg was a native of New York City and had lived in Rye, N.Y., and Bourne before coming to Andover six years ago.

He attended First United Methodist Church, North Andover and was a member of the Bourne United Methodist Church.

Mr. Swanberg was attending the officers candidate school at Fort Dix, N.J. at the time World War II ended.

He leaves his wife, the former Olga Clement; a son, Edmund R. Swanberg of New Canaan, Conn. and three grandchildren.

Memorial contributions may be made to the First United church building fund.

Following the church services, cremation will take place at Harmony Grove, Salem.

MRS. PHILIPS W. FOSTER

Graveside services were held Monday at 3 p.m. at Woodlawn cemetery, Everett, for Mrs. Joanna (Downing) Foster, widow of Philips W. Foster, 156 Chestnut St., North Andover, who died July 16 at her home.

A native of Andover, she was a retired fashion artist, having worked for the Boston Globe and the L. P. Hollander Co. of Boston. She was a member of the First Church of Christ, Scientist, Andover, and the November Club.

She was a past president of the Wakefield Arts and Crafts Society and a former member of the Wakefield Garden Club.

She is survived by two daughters, Mrs. Wesley Wallenius of West Peabody and Mrs. George E. Talbot of North Haven, Conn.; three grandchildren and one great grandchild.

Irish dramatist and critic, George Bernard Shaw, was born July 26, 1856.

Miss Kathleen F. Callahan

Miss Callahan Is Engaged

Announcement has been made of the engagement of Miss Kathleen F. Callahan, 15 Cheever Circle to Joseph L. Carey, 6 Edgehill Road, Arlington.

Miss Callahan is the daughter of Mrs. William F. Simeone and the late Frank A. Callahan. She is a graduate of Chandler School for Women and Chamberlayne Junior College and attended Merrimack College.

Her fiancé attended Massachusetts Bay Community College and is now a student at Bentley College of Accounting.

Since the first Easter Seals were mailed to American homes, millions of dollars have been translated into rehabilitation and research. Last year more than 4,500 disabled Massachusetts residents benefited from Easter Seal medical diagnosis, therapy, camping and swimming programs and traveling rehabilitation teams.

A whale can stay under water for over 60 minutes but usually surfaces every 10. Whale meat is a popular food in Norway and Japan, but whales are becoming scarce!

At the present time, the U.S. has 3.3 million miles of public roads and highways; by 1980 we may have 5 million miles, the Massachusetts Audubon Society reports.

Bill McAndrew Displays Beautiful "Grand Prix"

Now is the time to buy that
new car you've been wanting. The
1972 new car prices will be higher.
McAndrew Pontiac at 209 South
Broadway, Lawrence, invites you
to stop in and see Pontiac's 71's,
the cars that take the fun of driving
seriously.

McAndrew Pontiac has a full
selection of new models on display
and you are free to inspect them,
take a test drive, compare prices
and talk about a trade any time.
Shown above is a beautiful new
Bonneville 4 door hardtop, and elegant
all-power model. The 1971
Bonneville is the most luxurious
Pontiac ever built. It features
a new die-cast grille and a front
end that carries surprisingly func-
tional horn ports and neatly

executed wraparound parking
lamps. Inside, the seats have
heavy padding and the amazing
improved fabric is combined with
expanded Morrokide trim or ex-
panded Morrokide throughout.

The 1971 Grand Prix is a
performance car that features
beauty without frills, comfort
without boredom. There are no
vent windows to interrupt the
smooth sweep of glass, no
bulging door handles to mar the
sleek expanse of steel. The wind-
shield wipers are recessed
and even the radio antenna is out
of sight.

See the Executive; the Catalina;
the G.T.O.; the LeMans Sport,
an all-new car from Pontiac; the
LeMans and of course the Tempest.

and Firebird. All cars sold at
McAndrew Pontiac are backed by
Bill McAndrew's reputation for
fair dealing. McAndrew Pontiac
subscribes to the philosophy of
volume sales at minimum profit,
resulting in many more satisfied
customers.

Whether you are interested in
a new wide-track Pontiac or one
of the many safety and performance
conditioned used cars, you will
find McAndrew's factory trained
sales force ready to assist you
in your selection. And you will
appreciate the good service at
fair prices and realistic pricing
of all new and used cars. Visit
McAndrew Pontiac soon and see
Pontiac's 71's now at the best
prices ever!

Some 99 percent of the Earth's gases are found within the first 100 miles above the earth's surface. This envelope acts as a "blanket" to help steady and evenly distribute the temperature over the Earth's surface, keeping it, overall, between the freezing and boiling points of water. And our atmosphere blocks out many forms of high energy radiation which might be detrimental to life.

FLOAT RIDE on a hot mid-summer day is enjoyed in the cooling waters of Pomp's pond. Bruce Gordon, Woburn Street, is atop the float while pushing from behind is Matt Russell, High Street, Ballardvale.

ERICKSONS

(Continued from Page One)

buryport High school graduate, received his degree from Colby college where he was varsity quarterback and captain of the football team in his senior year, 1928.

He received a master's degree from Bates in 1942.

His professional career included teaching in Fairfield, Maine, and principalships in Northfield, Vt. and Dartmouth, Mass., the latter the position from which he retired in 1970.

In 1970, he was selected as "Man of the Year," by the Dartmouth Exchange club and was presented a resolution by the Massachusetts Senate in recognition of his 22 years as principal of Dartmouth High School.

The two men will be honored for their 83 combined years of dedicated service in the field of education.

During the ceremonies they will be joined by their families, Retired Supt. Erickson by his wife, Arlene and daughter Carlene, wife of Thomas Darby and three grandchildren. John and his wife, have three children and five grandchildren.

The brothers have three sisters, residents of Newburyport, Mrs. Helen Ross, Mrs. Elizabeth Doyle and Mrs. Wayne Wilbur and a sister-in-law Mrs. Harold Erickson. Another sister, Mrs. Thomas Malloy lives in Jamaica Plain and a brother, Norman, resides in Nahant.

The annual homecoming observance gets underway with opening ceremonies at 10 a.m. Saturday, July 31, at Triangle park when the Homecoming Flag will be raised.

Joppa Day will be observed from 10 a.m. to 6 p.m. at the

Plum Island airport, steamed clams and chowder being served from 10 a.m. to 1 p.m. Greek festival and Grecian Night festivities during the afternoon and evening.

Old Fashioned Sunday will be observed on Sunday, Aug. 1.

House tours, a supper and a jazz concert are planned for Monday.

Arts, food sales, auctions, fashion show, chicken barbecue, road races and Coast Guard pageant are scheduled on Tuesday.

Coast Guard day will be observed in the city, the birthplace of the Coast Guard on Wednesday with a 2 p.m. concert and a moonlight cruise.

The native sons ceremonies are scheduled for Thursday.

There will be a lobster festival from 5 to 7:30 p.m. on Friday with fireworks at Cashman park set for 9:30 p.m.

Events on Saturday include a Gay Nineties night at the Newburyport National Guard Armory.

SOCIAL SUNDAY

The Turkey Town Trotters Square Dance Club will enjoy a social Sunday in the garden of the Andover Inn from 2 to 4 p.m.
